

**BIBLIOGRAPHY/RESOURCES:
UNIVERSAL DESIGN AND ACCESSIBILITY RELATING TO HOUSING**

Cynthia A. Leibrock, MA, ASID, Hon. IIDA
Mary Jo Peterson, MS, NKBA, CKD, CBD, CAPS, CAASH

Aid Association for Lutherans. (1998). *Home sweet home: How to help older adults live independently*. Appleton, WI: Author. In this book, readers can learn special ways to help their family members who are aging in their current home. It discusses ways to select and use assistive technology as well as types of home modifications that are simple and inexpensive.

Altman, Adelaide. (2002) *Elder House: Planning Your Best Home Ever*. Chelsea Green: White River Junction, VT (ISBN 1931498113)

American Association of Retired Persons. (1999). *A profile of older Americans*. Washington, DC: Author. Explains characteristics of the older population such as future growth, marital status, living arrangements, geographic distribution, income and housing.

American Association of Retired Persons. (1998). *Universal design house: Information packet*. Washington, DC: Author. Contains information about the event “media tour of home of the future” that was held in January, 1998. This information includes a general introduction about the importance of universal design on home modifications, features and benefits of a universal design home, a sample of one house (floor plans, elevations and perspectives), lists of products used as well as products manufacturers, and popular articles from different sources about the event.

American Association of Retired Persons and ITT Hartford. (1998). *Make your home a home for a lifetime: Ideas for independent living from the Hartford House exhibit*. Southington, CT: ITT Hartford Group Inc. This booklet consists of a variety of architectural and interior design concepts for older persons to live comfortably for the remainder of their lives; a resource guide to help improve the comfort, convenience, safety and security of the home that includes suppliers from whom products can be purchased; and a home checklist to apply ideas from the resource guide.

American Association of Retired Persons and The Coalition for Consumer Health and Safety. (1998). *Home safe home: How to prevent falls in the home*. Washington, DC: Author. This brochure contains suggestions to reduce the chances of falling and a checklist for preventing falls in the home. This checklist covers stairs, the kitchen, bathrooms, general rooms and the outside.

American Association of Retired Persons. (1996). *Home modification*. Washington, DC: Author. A one page tip sheet that gives a brief introduction to home modifications.

American Association of Retired Persons. (1996). *Understanding senior housing into the next century: Survey of consumer preferences, concerns, and needs*. Washington, DC: Author. Reports findings from a nationwide telephone survey of people age 50 and older. It consists of data breakdowns by selected demographic and behavioral characteristics, and also compares results with previous surveys.

American Association of Retired Persons. (1996, November/December). Perspectives. *Modern Maturity*, 77-79. Introduces AARP's contribution regarding home modifications for older people such as surveys, published books about home modifications and resources on key aging issues.

American Association of Retired Persons. (1992). *The perfect fit: Creative ideas for a safe and livable home*. Washington, DC: Author. A booklet providing readers with interactive experiences in understanding simple home modifications. It also includes several games and puzzles to test and give readers more knowledge about home modifications in a fun and entertaining fashion.

American Association of Retired Persons. (1991). *The doable renewable home: Making your home fit your needs*. Washington, DC: Author. This book identifies and explains the design concepts, products and resources that can help make an existing home more comfortable for older people who experience physical limitations.

American Association of Retired Persons and The Federal Trade Commission. (1985). *Your home your choice: A workbook for older people and their families*. Washington, DC: Author. A workbook preparing older people to consider a variety of living arrangements. Included are options as simple as having someone come to your home occasionally to clean or cook, or as major as physically moving into a housing facility.

American Association of Retired Persons. (1984). *Housing and lifestyle: Retirement planning seminar*. Washington, DC: Author. Examines factors that help to determine where and how readers want to live, using the equity in their homes, housing options available and what to look for in retirement housing.

American Association of Retired Persons. (1999). *A profile of older Americans*. Washington, DC: Author.

American Association of Retired Persons. (2000). *Fixing to stay: A national survey of housing and home modification issues*. Washington, DC: Author.

AARP. 1999. *Universal Design and Home Modification: Comfortable, Safe, Convenient Living*. Washington, DC: AARP

American Institute of Architects Foundation. 1986. *Design for Aging: An Architect's Guide*. Washington DC: AIA Press.

Anthon, C. (1990). Facing the fears of home renovation. *Rehabilitation Digest*, 5-6. This article gives one example of a home renovation process for creating an accessible bathroom. It also provides additional information on financial issues involved in home renovation.

AOTA. 1990. *Accessibility and Architectural Modifications*. Rockville, MD.: Practice Division: AOTA (Call No. WA 799 A169 1987)

Bakker, Rosemary. 1997. *Elder Design: Designing and Furnishing a Home for Later Years*. : Penguin Books.

Bakker, Rosemary. 2010. *AARP Guide to Revitalizing Your Home: Beautiful Living for the Second Half of Life*. New York: Sterling

Ball, M. Scott. 2012. *Livable Communities for Aging Populations: Urban Design for Longevity*. NJ: Wiley

Barber, C. E. (1996). *Care for the elderly* (Consumer Series No. 10.232). Fort Collins: Colorado State University Cooperative Extension. Presents positive and negative outcomes of caregiving and delivers tips to be good caregivers.

Barrier Free Environments. (1987). *Adaptable housing*. Washington, DC: U. S. Department of Housing and Urban Development. Contains information on the marketability of barrier free devices for housing, and describes a number of adjustable and adaptable features to meet differing needs in the home.

Barr, Laural and Galluzzo, Dreyfuss. 1996. *The Accessible School: Universal Design for Educational Environments*. Berkeley, California: MIG Communications.

Baucom, A. H. (1996). *Hospitality design for the graying generation: Meeting the needs of a growing market*. New York: John Wiley & Sons.

Barrier Free Environments. 1991. *UFAS Retrofit Manual*. Washington DC: United States Architectural and Transportation Barriers Compliance Board.

Beamish, Julia, Kathleen Parrott, JoAnn Emmel and Mary Jo Peterson. Second edition, 2013. *Kitchen Planning (Guidelines - Codes - Standards)*. John Wiley and Sons, Hoboken, NJ for National Kitchen and Bath Association.

Beamish, Julia, Kathleen Parrott, JoAnn Emmel and Mary Jo Peterson. Second edition, 2013. *Bath Planning (Guidelines - Codes - Standards)*. John Wiley and Sons, Hoboken, NJ for National Kitchen and Bath Association.

Bednar, Michael J. 1977. *Barrier-Free Environments*. Dowden, Hutchinson & Ross, Inc.: Stroudsburg, PA. (Call No. WA 795 B275 1977).

Bode, M. (1999). *Creating a home for a lifetime* (Fact Sheet No. MF-2418). Manhattan: Kansas State University Agricultural Experiment Station and Cooperative Extension Service. Provides information on features of home adaptations according to older persons' sensory and physiological changes. Pictures are presented to make home adaptation lists easier to understand.

Bode, M. (1999). *Creating a home for a lifetime* (Leader's Guide No. MF-2418). Manhattan: Kansas State University Agricultural Experiment Station and Cooperative Extension Service. Outlines a lesson to make a home convenient and accessible as people age or become disabled. It focuses on factors to take into consideration when building or remodeling a home so that expensive alterations will not have to be made if the user develops a disability later in life.

Bode, M. (n.d.). *Assistive devices for the home* (Knowledge for Life). Manhattan: Kansas State University Cooperative Extension Service. List of several assistive devices and where to get more information that can help older persons with hearing, seeing and eating.

Booth, C. (1999, August 30). Taking care of our aging parents. *Time*, 48-51. This article focuses on the author's experiences in taking care of her parents. The story gives general information on how her aging parents are changing physically and mentally and how she has to prepare a place for her father and also prepare herself for all these changes. There are some tips on how to anticipate parents' needs for housing and medical care.

Bowe, Frank. 2000. *Universal Design in Education*. Bergin and Garvey: Westport, CN. (ISBN 0-89789-688-2)

Brawley, Elizabeth C. 1997. *Designing for Alzheimer's Disease*. Wiley: New York. (ISBN=0471139203)

Brummett, William. 1997. *The Essence of Home: Architectural Design Considerations for Assisted Living Elderly Housing*. New York: Wiley.

Bush-Brown, Albert and Davis, Dianne. 1992. *Hospitable Design for Healthcare and Senior Communities* New York: VNR (\$59.95 ISBN=0442239599 Call No. WX 140 B978h 1992)

Calkins, Margaret P. 1988. *Design for Dementia: Planning Environments for the Elderly and the Confused*. Owings Mills, Md.: National Health Pub. (Call no. WM 27.1 C155d 1988)

Cash-Callahan Co. 1991. *Accessible Design Handbook: The ADA Troubleshooter Guide and Workbook*. : Cash Callahan Co.

Callahan, James J. Jr. 1993. *Aging in Place (Generations and Aging)*. Amityville, NY: Baywood Pub. Co. (ISBN 0895031132 \$15.95)

Center for Universal Design. (1997). *The principles of universal design (Version 2.0)*. Raleigh, NC: Author. Identifies the seven principles of universal design.

Centre for Accessible Environments. 1990. *Access by Design: The Journal of the Centre for Accessible Environments. Issue 51 (Jan/April 1990)*. London: The Centre (Call No. W1 Ac682B)

Cheever, Raymond. C. 1990. *An Accessible Home of Your Own* . Canada: Accent Special Publications

Chigier, E. 1987. *Design for Disabled Persons*, London England: Freund Pub. House. (Call no. WA 795 D457 1987)

Christenson, Margaret A. and Taira, Ellen D. 1990. *Aging in the Designed Environment*. New York: Haworth Press (Call No. W1 PH683M v.8 no.3/4 1990)

Citro, J. (1998). *Assisted living in the United States (Fact Sheet No. 62)*. Washington, DC: American Association of Retired Persons. Introduces assisted living opportunities in terms of services, types of units and cost.

Clemmer, Wm. Michael. 1993. *Victims of Dementia: Services, Support, and Care*. New York: Haworth Pastoral Press (Call No. KK1619)

Colby, B. 1990. *Color and Light: Influences and Impact*. Glendale, California: Chroma Productions.

Columbia University, Dept. of Geriatrics. 1990. *Final Report on the Project Entitled Promotion of Self-Care in the Chronically Ill Elderly and their Caregivers*. New York: Div. of Geriatric, Columbia.

Committee on an Aging Society. 1988. *The Social and Built Environment for an Older Society (America's Aging Series)*. Washington, DC: National Academy Press (\$29.95 ISBN=0309037808)

Cohen, Uriel and Day, Kristen. 1993. *Contemporary Environments for People With Dementia*. Baltimore: Johns Hopkins Univ. Press. (\$45.00 ISBN=0801844894 Call No. WM 27.1 C678c 1993)

Cohen, Uriel and Weisman, Gerald D. 1991. *Holding on to Home: Designing Environments for People with Dementia*. Baltimore: Johns Hopkins Univ. Press. (Call No. WM 27.1 C678h 1991)

The Cooperative Extension System. (1993). *Aging in America: A time for crisis, a time for decision and solution.* (Available from the Cooperative Extension Service and the U.S. Department of Agriculture.) An agenda consisting of intervention and prevention in the areas of care alternatives, security, support from family and community coalitions, and the promotion of independence and self-sufficiency.

Covington, G. A., and Hannah, B. (1997). *Access by design.* New York: Van Nostrand Reinhold.

Creative Publishing International (ed.)(2003). *The Accessible Home: Updating Your Home for Changing Physical Needs.* Creative Publishing International: Chanhassen, MN (ISBN 1589230612)

Dadd, Debra Lynn. 1986. *The Nontoxic Home: Protecting Yourself and your Family from Everyday Toxics and Health Hazards.* New York: St. Martin's Press. (Call No. RA1213 .D334 1986)

Krueger, Barbara, Nika Stewart and Mark Davidson. 2010. *Knack Universal Design: A Step-by-Step Guide to Modifying Your Home for Comfortable, Accessible Living (Knack: Make It easy.)* Guilford, CN: Morris

Park, J. M. (n.d.). *Adult day care: An alternative to institutionalization* (No. T-2139). Stillwater: Oklahoma Cooperative Extension Service. In this fact sheet, children's alternatives for taking care of their parents who are old and frail are discussed with a focus on adult day care. It provides information on what adult day care is, what types of older persons can use this facility, what services adult day care offers and how to locate one in the community.

Park, J. M. (n.d.). *Planning for your future: Housing and health care options for older adults* (No. T-5136). Stillwater: Oklahoma Cooperative Extension Service. Encourages older people to think ahead about where to live and what health treatments to receive in later years. It also invites older people to discuss this planning with their family. Issues included are options for remaining in a familiar community, moving in with an adult child and alternative housing choices.
